

# HI, WE'RE ATWORK AUSTRALIA

We're your very own personal employment finding team.

We're here to help you find meaningful work that helps you get what you want out of life.

YOUR JOURNEY  
STARTS HERE 

## 1. FIRST, WE'LL CHECK IN

You'll receive a welcome call from one of our friendly team members. We'll have a chat about you, your needs and how we can help.

## 2. THEN, MEET YOUR JOB COACH

It's time for a face to face catch up with your Job Coach. They will be there with you throughout the whole job finding journey, making sure you get the support and services you need to succeed.

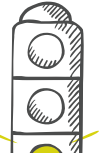

## 3. NOW IT'S TIME TO CREATE YOUR PLAN

This is all about you. Together, we'll develop a plan to prepare you for meaningful employment.

We'll talk about your skills and interests, and what you want to achieve in work and life. We'll then plan the very best way to make that happen.

## 4. AND SWING INTO ACTION

The plan that we've created is now in action. We've got a whole heap of services that'll help you tap into your talents, build your skills, bolster your confidence, connect you with your community and prepare you for work.

There's health and wellbeing coaches, job clubs, employer networking, skills training and much more.

## 5. TO FIND THAT JOB!

Success! The planning and preparation has paid off and you have found the right job for you. We'll celebrate. And we'll also stick around to make sure this works for you in the long term.

## 6. But wait. There's more!

You'll have access to our friendly Post Placement Support and Ongoing Support teams (there for you whenever you need us), and inhouse-health professionals, as well as all the training, tools and equipment you need to confidently settle into your new role.

If after 6 months you need further support we have you covered, we will be here as long as you need us and we will continue to provide you with individualised support so you can thrive in your role.

## 7. AND MEET YOUR GOAL

### Congratulations!

You're independently and happily working in a role that is just right for you. Well done on all of your achievements along the way.

We feel very proud to have been part of your important journey. Thank you for working together with atWork Australia.
