

SOFT SKILLS PROGRAM

Are you looking for extra assistance with your job seeking?

Need some help with your communication and organisational skills?

Our Psychology Services Team can help you through our tailored Soft Skills program.

Our psychologists specialize in addressing barriers to employment. They work together with your Employment Consultant and are available to meet face to face, via the phone or online.

What are soft skills?

Desirable qualities for certain forms of employment that do not depend on acquired knowledge; they include common sense, the ability to deal with people, and a positive flexible attitude.

The tailored four week Soft Skills program will assist you to:

- Identify realistic job goals
- Obtain and maintain your job
- Sharpen your people skills, organisational skills and communication

This program will make a difference to you getting back on track in your employment journey.

Speak with your Consultant to find out more about the course or email contact@atworkaustralia.com.au to register your interest.
